Dear Families,

“THE SKY IS THE LIMIT” – Benalla P-12 College EXPO NIGHT

Our School Expo on Wednesday evening was a great success. The number of families who attended and participated in the many activities organised on each campus was very pleasing. A special thank you to all the staff who spent a great deal of time planning displays and demonstrations to make sure it was a worthwhile event for all families.

Some of the activities and displays that families were able to enjoy at the Expo.

Retirements
Christine Glynn
I would like to acknowledge the outstanding contribution Christine Glynn has made towards educating young people in Benalla for close to 23 years. She has made a significant contribution to the English/Humanities area at Benalla College and now Benalla P-12 College. She has displayed great dedication to teaching and to her students. Christine has always made time to be involved in the many extra-curricular activities that we provide for the students and she will be sorely missed.

Jeanette Clark
Congratulations to Jeanette Clark on her outstanding career in education. Jeanette has had a highly successful career in teaching that has spanned approximately 28 years. She is a dedicated and passionate teacher and I know there are many students who will have fond memories of being taught by Jeanette during their primary school years.

Congratulations to both Christine and Jeanette on their retirement, we wish them the very best for the next chapter in their lives, we are sure they will enjoy every minute of it.

Family Leave
Best wishes to Tara Hunter (Barkly St Campus) who will be taking family leave at the commencement of Term 2. We wish her the very best for the arrival of her new baby. We look forward to hearing the good news next term.

Thankyou
I would like to sincerely thank Sue Collingwood and acknowledge her invaluable teaching of Year 11 and 12 Food technology classes this term and the support she has given these students. Sue has been replacing Ann Forster while she has been on leave. We welcome Ann back at the commencement of Term 2.
Principal’s message continued....

Parent/Teacher/Student Interviews
Parent / Teacher / Student Interviews provide an important time when families can speak to their child’s teacher to discuss academic progress and social emotional development. We value family members’ knowledge about their children and this meeting can help us to learn more about each child and how we can support them in their school life. **Your child is required to attend the Parent/Teacher interviews to be part of the discussion about their learning with you and their teacher.**

Parent / Teacher / Student interviews this term will be held on the following dates:

- **Wednesday 23rd March** – 4:00pm to 7:00pm
- **Thursday 24th March** – 9:00am to 12:30pm -There will be NO classes on this day

Students must attend the Interviews with their Parents/Guardian

Best wishes for the week ahead.

Barbara O’Brien
College Principal.

---

### School Fees

A friendly reminder that school fees are now due. Family statements will be emailed (for those who have provided their email address) or mailed out next week. Please don’t hesitate to contact the Business Manager on 57612777 if you are experiencing difficulties or would like to discuss payment options as we may be able to help with alternative arrangements.

---

### Parent Teacher Interviews

**Wednesday March 23rd from 4pm to 7pm**
**Thursday March 24th from 9am to 12.30pm**
To book parent teacher interviews go to:
Enter the event code in the space on the homepage and press ‘go’.

**EVERY DAY, ALL DAY**
Easter Raffle

A reminder that Easter Raffle tickets are due back to the office by tomorrow morning. Thank you to everyone who has sold tickets and made generous donations to our Easter hampers. They look amazing! Hampers will be drawn at assembly on Wednesday at 2.30pm. Good luck to everyone and Happy Easter to you all.

Terima kasih banyak ~ ‘Many thanks’

👍 A huge thumbs up to Rosie Nicholson who worked tirelessly last week gardening and improving the appearance of our Avon St Campus. Rosie contacted many local businesses and they supported our garden improvements. Rosie also coordinated the working bee held on Saturday and with the support of Hayden Bowen they transformed the gardens – in particular the front garden into something we can all be really proud of.

Your work Rosie and Hayden has been greatly appreciated.

Many thanks also to our local businesses:
Green n Grow -Benalla
Estancia-Benalla
Ryan and McNulty-Benalla
Benalla Mitre 10
Bunnings-Wangaratta

Many more exciting things are planned for the Avon St Campus garden beds in the months to come 😊

Foundation News

The Avon Street Foundation Students have been learning how to count. We try and guess the number and then we check by counting each dot. We then put the car domino into the car park. We are getting very good at counting.

Congratulations to Sharna, Damon, Cooper, Damon, Hayley and Nuceya.
Awesome Avon Opens Its Arms

Last night students and staff welcomed family and visitors to their school to show their pride in all that they achieve at Avon. Classrooms were buzzing with visitors who were able to trial some amazing art, some sticky science, some terrific technology and even some mental maths!! The evening was hugely supported by a group of mums who cooked all afternoon so that they could showcase the amazing food influenced by the Indonesian program. Visitors, students, parents and staff were all entertained by the magical musical talents of the students as they showcased their program. People were also dazzled by the dances of the Indonesian region as they welcomed all to the school in the traditional ‘Welcome Dance’. 

A fantastic fun night was had by all and the excitement in the school was just the best!!!
**Easter Hat Parade**

Wednesday morning Easter hat parade (still wear school uniform) will be followed by Easter multi age activities from 9-11. This will earn students house points for participation.

Thanks

Deb

---

**Waller Street Expo**

Wow! What a great night. There was a buzz in the air at Waller St Campus on Wednesday Evening as excited children had the joy of showing off their campus and classrooms to their parents, grandparents and friends. There were hands-on activities in the classrooms, art room, ICT suite library and playground. In the Kitchen, students cooked up a storm making pancakes for visitors and the garden was at its best! Even the hallway was humming with Sharyn and Mrs Leary encouraging students and visitors to have a go making stress balls. This was certainly not a stressful night, a great time and highlight of a fabulous school!!

---

**Students of the Week**

Back - Charlie, Grace, Cooper (Golden Shovel), Sam, Mikayla and Chenel (Golden Shovel)
Front - Daniela, Nicholas, Thomas, Jake and Athena
Above Foundation Students of the Term
L-R Ethan, Amy Hayley (Indonesian Award), Darcey & Cody

Above Sportsmanship Awards:
Bayleigh & Max

Left Year 1/2 Students of the Term
Back Dean, Liam, Nicholas, Jessica, Hailey, Imogen (P.E. Award) & Asimina
Front - Archie, Thomas & Evie (Student of the term & Indonesian Award)

The Parents and Friends Group had made up a number of amazing raffle prizes thanks to the generous donations that had been sent in from the Waller Street Families. Some of the happy winners are pictured below on the stage.

Thanks!
Faithful Street Easter Raffle

Easter Raffle tickets are due back.
Raffle will be drawn on Wednesday 23 March 2016.
All money will go towards purchasing something for the school to benefit our students and their families.

Good luck!

Faithful Street Footy Tipping

The Faithful SRC are running an AFL footy tipping competition this year. There will be prizes at the end as well as house points awarded for all games in a round picked correctly. Students and staff can register by filling in a form available from their House Representative or Miss Collins.

Staff and students can also sign-up by going to https://www.aflschoolstipping.com.au/#login signing up and using the code UPSSW9U6. The first round is on the Thursday 24th March so make sure your tips are in by then. Happy Tipping!

Year 9 Future Makers Camp

On the 29th of February the first group of Year 9’s headed off on the 12 day Future Makers camp at 15 Mile Creek. The Year 9’s spent the first four days at the residential camp preparing for their five day journey. The next five days canoeing on the Murray River putting their skills and knowledge to the test. The final four days were spent back at the residential camp with a day trip sledding down the King River where the students were able to evaluate, compare and reflect on their findings. The learning focus for the future makers program is for students to develop a greater understanding of the Murray Darling basin by investigating the impacts agriculture and urbanisation has on the ecosystems found in the Murray Darling Basin.

Residential camp part 1 – Our journey started on the first day when we arrived at 15 mile creek camp. There were two groups, group 1 “PG Platypus’s” and group 2 “Bench Warmers”. The groups did the same activities. We spent a lot of time at the dam; when we learnt how to flip a canoe the right way after it had been capsized, we went for a swim after a bike ride or just for a fish. No one was ever bored, we were always too busy. We played lots of night activities, such as going on the flying fox, or just playing group games. We spent a day going to see how two different farms use water, a dairy farm and a vineyard. On the way back to camp we just relaxed and swam in little rivers and creeks. The first half of camp was amazing.
Journey group 1 – The 5 day journey was truly an amazing experience. Our group was led by Dave. The journey was set to go from Howlong to Bundalong but we only made it to Taylor’s bend, roughly 24 km short of Bundalong. Normally this would be a disappointment but the fact we made it so long with almost everyone out of commission was still an amazingly impressive effort. The first 2 days went fairly normal in terms of what we did. The first day we launched from Howlong after an awesome talk from an aboriginal elder. She told us about stories she was told when she was young and gave us a gum leaf, granting us access to the Murray River the traditional way. We had a wobbly start getting used to the currents, paddles and the Benalla P-12 College canoes but once we got the hang of it we were unstoppable. We made around 13 km in our first day but struggled to find a campsite that was cow free. We ended up settling down at a nice beachy area even though we were still surrounded by cows. The second day we just about doubled the first days progress but our weaknesses were already showing with Roo looking like a dead body and a few others in pain and sick. We overtook the other group that morning which kind of lifted morale. By the end we were down to Jai, Bailey, Shakira, Caitlyn, Harry and Will as capable paddlers, just about everyone else was either resting or paddling sick and struggling to stay up. Dave was a great leader. He was always doing something to help us. Bec who was the assistant would always be talking and playing around with the group. Dave was an amazing leader and made it such a fun experience and I thank the entire 15 mile creek team for making this possible and for making it such a fun experience I will never forget.

Journey group 2 – The 5 day journey on the Murray River was amazing, we went from Howlong to Bundalong. We found that the first half of the journey was pretty easy, but the further downstream we went down the Murray, the harder it was. But lucky we had Matt our Group Teacher for the journey, he was there making sure we didn’t get into any trouble. The food we were given from 15 Mile Creek was awesome and none of it got wet. For breakfast there was cereal and hot chocolate. We couldn’t keep milk in the water proof bag because it would soil, so we had to use powdered milk which tasted alright. There was plenty of things to choose from to put in our wraps for lunch. There was cheese, lettuce, salami, capsicum, cucumber and wheat biscuits. Dinner changed every night, from chicken stir fry for the first night to nachos and salsa the last. We used a camping stove and a wok to cook dinner most the nights. The tents were pretty easy to set up and if we didn’t want to sleep in the tent, we got to sleep outside under a tarp for a change. We got plenty of sleep, most of the time. For water, we had to get water from the Murray and put it in the water filter to clean it and make the water drinkable. A hygiene station had to be set up somewhere every lunch and every time we found a campsite. We used this to wash our hands before breakfast, lunch, dinner and whenever someone had to cook or wash. Finding a campsite was pretty easy depending on how long we wanted to paddle down the Murray for. If we wanted to paddle for longer, we could end up missing some good potential campsites. There was a couple of good campsites we stopped at, on the third night we stopped at a really good campsite that had a beach that we played volleyball on. So overall, the 5 day journey on the Murray River was well organised and really fun, but also a bit challenging and something that everyone should experience.

Residential camp part 2 – On the second last day the Benalla Future Makers went on a journey down the King River starting from Lake William Hovell and did about four kilometres down the King River on river sleds. Everyone had so much fun going through the fast rapids and dodging rocks and snags in the water. Where we started the water was deep and slow moving in a small waterhole but in the rapids the water was fast and shallow most of the time. As a group we all did a great job encouraging each other and making sure that everyone was going okay. While on the water we played games and helped each other out a lot. The most challenging part was keeping the group close while we were waiting for others to go through the rapids. All together the King River day was fantastic thanks to all of the teachers and students who worked together to make the day possible.

By Mel Stretton, Jai Pyke, Danny Pullicino and Kathryn Gervasoni
HANDS ON LEARNING NEWS
Students from the Hands on Learning program spent this week out with the Regent Honey Eater project nursery propagating eucalyptus tree seedlings. These seedlings will be grown on and then planted out on to farmland to establish new habitat for the Regent Honey Eater Bird and other endangered mammals. Over the two days, 1,428 White Box and Blakey’s Red Gum seedlings were transplanted and students were also given the task of identifying and discarding tree tube stock that was not going to perform once planted in the field. The Hands On students will follow up in winter with a tree planting day out and see some of the new habitat that the Regent Honey Eater project has created in our local rural areas.

HANDS ON IS LOOKING FOR AN EXERCISE BIKE
We would love to hear from anyone who may be able to donate an exercise bike or fitness machine to encourage our students to get fit.
If you could contact the Faithfull Street campus office and either Pip Rowe or Ed Bishop will contact you to organise.

Thank you
Mrs Rowe
Congratulations to students and staff of the Barkly Campus for an outstanding first term. Whilst it was a short term, it was very busy and full of achievement, high expectations, friendship, SACs and tests! Year 10s have settled into their new campus nicely and have adjusted to the adult learning environment. They are also enjoying the privilege of visiting the “Pink Shop” at lunch times. For Year 11 students, managing the increased workload has been a challenge but they have enjoyed new subjects selected from the wide range of options available across VCE, VET and VCAL. Planning and training for the upcoming debutante ball has also been the cause of much excitement across this year level! Year 12s have already experienced many memorable moments to look back upon fondly. Meeting their Foundation (Prep) buddies at the first whole school assembly was a highlight, as was the three day Study Camp. Few will forget the thrill of the flying fox and vertical slide, or the opportunity to share the Formal Dinner experience with so many friends. Year 12s have also experienced their first SACs (School Assessed Coursework), which contribute towards their ATAR. Well done to everyone! Term One has also had many opportunities for students to show off their sporting abilities, including at the Swimming Carnival, VET Sport & Recreation surf camp and bush walk, and the Round Robin Competitions (volleyball, cricket, soccer and tennis). Congratulations to everyone who participated in these events. Lastly, thank you to the Year Level Coordinators (Ms Legg -Year 10, Miss Symes - Year 11 and Mr Hubbard - Year 12) for all their efforts this term. This campus would not function as effectively as it does without your dedication, hard work and support. On behalf of our students, parents and staff – “thank you!”
Rebecca Pell, Senior Sub-School Leader.
Senior Tennis

Four of the year 12 boys travelled to Euroa to compete in the senior boys tennis. They played doubles matches against Mansfield, Broadford and Kilmore and played some fantastic tennis. They took out second spot in our pool and progressed to the semi-finals. The boys came up against Seymour and unfortunately went down in a well fought out match. It was a great day and the boys should be extremely happy with their efforts.

Senior Boys Volleyball

Benalla P-12 College was represented by Year 12 and Year 11 senior boys teams in the volleyball round robin competition held in Yea. Each team played three games against competitors from Seymour, Yea and Euroa. While plenty of skill was shown (with some aces hit, powerful spikes and opposition shots blocked), unfortunately neither team progressed to the finals. Well done to all the boys involved.

Senior Soccer

The soccer boys were fantastic from start to finish. Going through the whole tournament without conceding a goal. They won 2 games and drew the other meaning they advanced to the next stage. The first game was a 2-0 victory over FCJ College, followed by a 0-0 draw with Broadford. The boys finished with a very strong 3-0 victory over Kilmore to progress. Credit must go to the boys who represented Benalla P-12 admirably all day both on and off the pitch.

**Vacation Care** - The program for the April Holidays is now available from the school office or Benalla P-12 webpage. Copies have been posted out to current families utilising the service. It is essential that you have paid for your previous holiday care and be reasonably up to date with ASC payments, prior to you making a booking. Price is based on $42.75 per day, before the Child Care Benefit subsidy. Extra costs apply for excursions, as listed.

**Enquiries**
Any enquiries regarding your accounts or Child Care Benefit can be directed to Anne Hanrahan each Friday, at Waller in the morning 5762 2600, or Avon in the afternoon 5762 1646. Please leave a message at the school office and Anne will return your call.

**Change Contact Details**
If you have changed any of your contact details (address and phone numbers), please ensure that you let the carers know so we can update your change of details on our system. Families should also ensure that emergency contact details and authorised people to collect are still current.

**Phoning the service during Vacation Care**
Just a reminder that the school office is not manned during the holidays. If you need to talk to the Vacation Care workers, then you will need to call the service mobile number:
**Avon** - 0428 014 133  
**Waller** - 0407 715 660
Or email: hanrahan.anne.e@edumail.vic.gov.au

Benalla Netball Association
**WINTER COMPETITION**
1st Round Saturday 16th April
Registration ONLINE via our website
www.benallana.vic.netball.com.au

**COME AND TRY DAY**
Saturday 9th April
10am Churchill Reserve

All enquiries to:
Karen Edwards
0421 057 421
benallanetball@bigpond.com
Like our Facebook page to stay up to date!
Are you interested in having a paid part-time job after school, or on weekends, but don’t know how to go about it or who to ask?

A program has been created specifically to provide interested young people, aged 15 to 17, with everything they need to become work-ready and to find that part-time job.

**THE PAID PART-TIME WORK PROGRAM**
The program supports participants to complete an after-school, work-readiness training program each Wednesday for 3 hours over 5 weeks. Local employers are very supportive of the program and students will meet at least 10 employers over the 5 weeks.

**What will you gain?**
- You will have a career action plan, CV and be able to write a job application
- You will have documentation organised for employment, such as your tax file number
- You will be familiar with typical occupational health and safety issues in the workplace
- You will know employers’ expectations in relation to your punctuality, reliability, behaviour and appearance at work
- You will understand the importance of confidentiality in the workplace
- You will be prepared to interact with customers and workmates
- You will gain on-going support in your search for a job, once training is completed

The next program is in Term 2, on Wednesdays 20th and 27th April, 4th, 11th and 18th May

For more information about the Paid Part-Time Work program contact Deb Paez at Tomorrow:Today
PHONE 5762 1211
EMAIL deborahpaez@tomorrowtoday.info
OR ask Ms Rowe or Ms Oakley for an application form.
