Recently students from the Faithfull Student Representative Council (SRC) held a Cupcake Decorating competition to raise money for the RSPCA. Students brought in over 300 cupcakes and the Food Technology class also did some baking in order to support the day. The school raised just over $350 for the RSPCA on the day.

Teacher, Lianna Collins said “It was great to see so many students and staff get involved in baking for the day. The winners of the cupcake decorating competition were students Melanie Stretton in Year 8, Jakk Devlin in Year 6, Becky Webster in Year 9 and Ally McDonald in Year 8. Special mention also to two of the staff members who also participated in the decorating competition. This prize was won by Daniel Hogarth who outsourced the baking skills to his wife who made miniature burger shaped cupcakes with Alison Schneider taking the runner-up prize with her sheep cupcakes.”

Principal, Barbara O’Brien said “I want to acknowledge the incredible work that our students and teachers are doing across our four campuses with raising funds for various organisations. I urge all students to get involved, it is a great way for students to have a voice, and learn skills for future leadership roles with our community while at the same time having fun.
