Benalla P-12 College Students’ Seeking Community Support

Students from Years Foundation to Year Twelve will be participating in a Walk-a-thon around the Benalla Lake to raise funds for much needed playground equipment for the Faithfull Campus on the 15 September.

Students will be seeking sponsorship from the community to assist them in raising funds for the playground equipment. The Foundation to Year Four students will walk approximately 2kms while the Years Five to Twelve students will walk the whole lake which is approximately 4kms.

Principal, Barbara O'Brien said “Staff and students are looking forward to this year’s walk-a-thon. This will be a fun event that all students can be involved in. It will give them the opportunity to raise funds towards the purchasing of new playground equipment on the Faithfull St Campus and build on the money raised and donated from last year’s walk-a-thon. Students will be consulted as to the type of equipment they would like and where they believe it would be best placed in the Faithfull St grounds. We want our students to be fully involved in the fund raising activity from the raising of funds to the purchasing and installation of the equipment which we hope to commence building in 2017.”

Members of the community wanting to make a donation can contact Benalla P12 College on 57612777.
