Benalla P-12 College involved with ‘Strengthening the Future Program’

Benalla P-12 College Faithfull Campus was very fortunate to have Workways-Youth Connections attend and provide the ‘Strengthening the Future Program’ which was for Year 8 students.

Youth Worker Lou McCloskey said “Strengthening the Future aims to encourage young people to develop important life skills, increase resilience, make connections with the community and set goals for the future. The students selected to participate in the program were nominated by their teachers for displaying leadership and community skills. Some of the topics covered by a range of community guest speakers are: Relationships and Communication, Drugs and Alcohol, Cybersafety, Community links with the council, Self-esteem and Confidence”.
